proudly exceeding
ADA STANDARDS TO BETTER SERVE OUR AUDIENCE

THE SIGPRO STUDIO™	
COMMUNITY	**ACCOMMODATION**
Patrons with Mobility Concerns	• Handicap seats are available and are removable to accommodate mobility devices. • Ground seats can be removed if necessary to accommodate further. • **In every configuration, ONLY the first row is accessible without stairs.**
Patrons with Service Animals	• Service animals are welcome at The SigPro Studio™, and may accompany their handler to any seat and public area. • Select seats are recommended to provide additional space for your comfort. • Emotional support animals are not permitted. • ****See map for seat recommendations for accommodating companions.**
Patrons with Auditory Concerns	• See our Accommodation Calendar for confirmed interpreted performances. • Interpreters are available by advance request and subject to availability. Day-of-show requests cannot be accommodated. • Hearing Assist Devices, including Auracast and T-Coil conversion lanyards are available. • *Ask an Usher or Management for assistance.*
Patrons with Impaired Vision	• See our Accommodation Calendar for confirmed Audio Descriptive performances. • Audio Descriptive services are scheduled in advance and subject to availability. Day-of-show requests cannot be accommodated. • Description is available via smart phone/mobile device. Please bring your own device and a pair of headphones, as these are not provided. • Download our free app before you arrive at livevoice.io/en/get-started. We recommend downloading in advance, as on-site Wi-Fi may be limited. • *Ask an Usher or Management for assistance*

***Seating map available on the next page.*

Suggested seats are provided as informed recommendations developed in consultation with members of the impacted communities. These recommendations are not required. Patrons are welcome to select any available seat at the time of purchase.
